A Town Council held in March 1927, I am directed to observe as follows:-

1) The bill shows that 36 new voting boxes were purchased, & that some old ones were repaired. The total number of boxes required for elections was only 34. The explanation given viz that a few fresh voting boxes were got prepared - is not strictly correct.

2) No information has been furnished as to why Pencil & the ordinary copying pencils used on the occasion;

3) The charges viz Rs 270 - 13 - 9 as appears to be much more than the occasion demanded.

I am to request that you will be so good as to see that such irregularities are avoided in future.

I have &c
